SPECIAL HOLIDAY LIQUOR ITEMS INCLUDE PROMOTIONAL GIFTS

Bruce D. Stevenson, Superintendent of Ohio Department of Commerce's Division of Liquor Control (Division) announced the arrival of a wide variety of specialty holiday liquor items and gift packs available now at local liquor agencies throughout the state.

"These gift packs are quality products that include unique accessories at no additional charge," said Stevenson. "All holiday items are available only for a short time and in limited amounts."

There are 50 holiday gift packs available, totaling more than 25,000 cases of different types and brands. These value-added gift packs include distinctive accessories and other collectables such as glasses, snifters, shakers, flasks, and decanters at no additional charge. Twenty different holiday gift-wrap spirituous liquor items, totaling more than 12,000 cases, are also available. Prices for holiday items range from approximately \$12.00 to \$140.00.

A complete list of items and some gift packs images are available on the Division's website at www.com.ohio.gov/liqr
