Three sections of the Ohio Construction Industry Licensing Board (OCILB) will meet next week at the Division of Industrial Compliance, 6606 Tussing Road, OCILB Conference Room, Reynoldsburg. The Electrical Section will meet on Tuesday, April 4, at 10 a.m. The Plumbing Section will meet on Wednesday, April 5, at 10 a.m. The Heating Ventilating and Air Conditioning Section will meet on Thursday, April 6, at 10 a.m.

OCILB issues licenses to qualified electrical, Heating Ventilating and Air Conditioning (HVAC), plumbing, hydronics and refrigeration contractors who successfully pass a licensing examination. The Board sections review applicants before they are approved to take the test for a particular trade. The Board sections also issue disciplinary actions as well as review late renewals and continuing education courses.

The Ohio Real Estate Commission will meet on Wednesday, April 5, at 9 a.m. at the Division of Real Estate and Professional Licensing, 77 South High Street, 22nd Floor, Columbus.

The Ohio Real Estate Commission reviews hearing examiner reports and settlement agreements each month regarding alleged real estate license law violations and considers licensee appeals on licensure issues. If a licensee is found to have violated licensing law, the Commission can revoke or suspend a license, assess a fine, order additional continuing education, or issue a public reprimand.

The Board of Building Standards Electrical Safety Inspector Advisory Committee will meet on Friday, April 7, at 10 a.m. at the Division of Industrial Compliance, 6606 Tussing Road, BBS Library, Reynoldsburg.
